1 Introduction

- 1.1 The Academy is committed to promoting equality of opportunity and good race relations for the benefit of everyone. The Oasis Community Learning Board and Academy Council and staff recognise their responsibilities in preparing young people for life in a culturally diverse society. They also recognise the opportunity to demonstrate that commitment both as a community resources provider and as a local employer.
- 1.2 The Academy has a responsibility as a public body to maintain and implement policies designed to promote racial equality.

2 Aims

- 2.1 The Academy and Academy Council aim to create and maintain an environment that will:
- Promote equality of opportunity;
 - Promote good relations between members of different racial, cultural and religious groups and communities; and
 - Challenge racial discrimination with a view to eliminating unlawful discrimination
- 2.2 The aims of this policy are to:
- set out Oasis Community Learning's and the Academy's ethos, vision and values;
 - emphasise the Oasis Community Learning and Academy Council commitment to equal opportunities;
 - provide information on the Academy's arrangements for the promotion of Racial Equality;
 - establish a timescale for the assessment of the impact of policies and procedures;
 - arrange that the results of consultation and impact assessment are reported to the Academy Council and Oasis Community Learning; and
 - ensure that staff are involved in the development of the Policy.

3 The Academy Ethos, Vision and Values

- 3.1 This Academy is committed to ensuring equal treatment of all its employees, students and any others involved in the Academy community, regardless of race. The Academy will ensure that no-one is treated less favourably in any procedures, practices or aspects of service delivery.
- 3.2 The Academy will not tolerate harassment of people based on their race.
- 3.3 This policy should be read alongside the Academy's other equal opportunity policies.

4 Commitment to Equal Opportunities

- 4.1 The commitment to racial equality must be evident in all areas of Academy life. However, that commitment is specifically made by Oasis Community Learning and the Academy Council in relation to:
- Attainment and progress;
 - Learning and teaching;
 - Content of the curriculum;
 - Personal development and pastoral care;
 - Behaviour, discipline and exclusion;

- Admissions and attendance;
- Staff recruitment and professional development;
- Staff opportunities and treatment at work;
- Resources and services for the community;
- Partnerships with parents

(In this policy statement, “parents” means all those having parental responsibility for a child.)

- 4.2 The Oasis Community Learning Board will pay due regard to this commitment in determining the policies of the Academy and in the performance of their duties.

5 Commitment to Staff Equal Opportunities

- 5.1 Oasis Community Learning’s policy is that the Academy Council will ensure that the requirement to promote racial equality is clearly reflected in the Academy’s policies and procedures for the management of staff and in the equal opportunity policies that affect the staff relationship with students and others.
- 5.2 Racial aspects will be considered when managing staff issues, and particularly when:
- Recruiting Staff;
 - Allocating teaching and learning responsibilities;
 - Re-evaluating staff structures;
 - Managing flexible working;
 - Managing parental and carers leave;
 - Managing pregnancy and return from maternity leave;

 - Applying grievance, capability and disciplinary procedures;
 - Managing Equal Pay
 - Managing work based training opportunities
- 5.3 Bullying and harassment of staff will be monitored and the information used to determine future policies.

6 Commitment to Student Equal Opportunities

- 6.1 The Academy is guided by three essential principles:
- Every student should have opportunities to achieve the highest possible standards and the best possible qualifications for the next stages of their life and education;
 - Every student should be helped to develop a sense of personal and cultural identity that is confident and open to change, and that is receptive and respectful towards other identities; and
 - Every student should develop the knowledge, understanding and skills that they need in order to participate in our multi-ethnic society, and in the wider context of an inter-dependent world.
- 6.2 These principals are guided by the Oasis Community Learning Ethos which demonstrates a commitment to model inclusion and compassion throughout all aspects of the life and culture of each Academy community. To view the full Ethos statement, see appendix 1.
- 6.3 These principles will underpin the Academy’s curriculum, and all subject areas must have regard to them when constructing programmes of study.

7 Dealing with Racial Incidents

- 7.1 The Oasis Community Learning Board expect all staff:
- To deal with any racist incidents that might occur;
 - To know how to identify and challenge racial and cultural bias and stereotyping;
 - To support students in their class for whom English is an additional language; and
 - To incorporate principles of equality and diversity in all aspects of their work.
- 7.2 Racist symbols, political symbols or other biased and/or offensive insignia are forbidden in the Academy. The display of such materials is regarded as discriminatory behaviour.
- 7.3 All racial incidents must be reported, using the 'Racist Incident form' (appendix 2), to the Academy's Equal Opportunities Officer (EEO) or a member of the Academy Leadership Team.
- 7.4 Behaviour or action against the spirit or the letter of the aims on which this policy is based will be considered a serious disciplinary matter and could lead to dismissal.

8 Promoting Racial Equality in the Curriculum

- 8.1 In addition to eliminating discrimination on racial grounds the Academy will develop and maintain policies and procedures for ensuring that equal opportunities are promoted in the curriculum and in teaching methods.
