Dear Parent/Carer

Your Say on the Development Plans at Oasis Academy Lord's Hill

We have reached an important stage in the project to rebuild Oasis Academy Lord's Hill. On Tuesday, 20th July, our construction partner Carillion would like to invite you to view and comment on plans for the new look Academy.

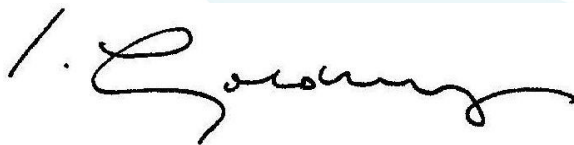

The artists impressions of the new building and a computer generated fly-through are available on our website www.oasisacademylordshill.org.

These images and more will be available to view at the public consultation drop-in event in July. This is an opportunity for parents and the wider community to see the plans and share their thoughts before Carillion asks for planning permission from Southampton City Council. At the event you will be able to speak to Carillion's architects, the team that will be managing the building project, as well as representatives from the Academy and the city council.

This is an exciting milestone in the project to transform the Academy and the local community, we hope that you will want to be part of what is happening.

Please come and join us at Oasis Academy Lord's Hill, **Green Lane**, between **3pm and 8pm on Tuesday, 20th July 2010**.

Yours sincerely,

Ian Golding
