

### **Nicki Chapman Award Winners.**

Nicki Chapman was a valued member of OYT. She played the main role of Bianca in the 1996 production of ***The Most Absurd Xmas Promenade Musical in the World... Ever!*** She went on to perform in more OYT productions notably the award winning premiere of Danny Sturrock's amazing ***Gagging For It*** production.

She was tragically killed in a fatal car accident (she was the passenger in a car accident where there were no charges) on 30<sup>th</sup> January 2005 aged only 20. Later that year, Nicky's Mum and Dad set up an award in her name to be given to two OYT members (one boy one girl) at the end of every production. The awards are voted for by all those in each of our productions and awarded to the person who in their opinion has contributed the most to any major production be it in terms of helpfulness or quality of performance, or anything else.

**The Nicky Chapman Awards** have become coveted and treasured Awards by all in Oasis Youth Theatre and we are proud to keep Nicky's name very much alive in this way.
