### WHY FAIRTRADE UNIFORM AND KOOLSKOOLS?

1. Based in Southampton, over the past 10 years Koolskools have built an internationally renowned ethical clothing company, and work with schools all over the UK.
2. Koolskools is the only school uniform provider in the UK offering a range of garments made with Fairtrade cotton and recycled polyester. Our research has proved that they offer quality, value-for-money garments that are double stitched, easy iron and durable.
3. Koolskools also work with schools all over the UK offering presentations to children of all ages about ethical and fair trading. The idea is that if the school embraces school uniform made with Fairtrade cotton, then our students are given the opportunity to learn all about the ethical trading story behind it.
