We are pleased to welcome your child to Oasis Academy Lord's Hill. This booklet provides essential information to support a smooth transition into our school community.

Welcome

A very warm welcome to Oasis Academy Lord's Hill.

We are delighted that you have been offered a place at Oasis Academy Lord's Hill. We are incredibly proud of our students and the confident, well rounded young people we see them blossom into throughout their time with us, and we hope that this prospectus reflects that and what we can offer you. We have high expectations of everybody who joins Lord's Hill and we strive to be the best versions of ourselves each day.

When you become part of Oasis Academy Lord's Hill you are joining more than a school; you are joining a family. Every member of staff is an advocate of this and of our values.

We care deeply about creating an innovative, exciting and inclusive learning environment centered around the Oasis ethos:

A passion to include everyone
A desire to treat everyone equally, respecting differences
A commitment to healthy and open relationships
A deep sense of hope that things can change and be transformed
A sense of perseverance to keep going for the long haul

Every child should get the education they deserve, and the opportunity to reach their potential; no matter what their background or ability. Our teachers go above and beyond to support all needs, and tailor homework and lesson plans for all. We provide an ambitious curriculum ensuring that we actively encourage young people to take a full range of academic subjects. We also seek to develop the unique interests and talents of our young people, and this helps our students understand how to maintain excellent physical and mental health.

We want our parents to feel confident in the knowledge that we are here to serve our community and we look forward to meeting with you, and welcoming you to our academy in September.

Simon Firth
Principal - Oasis Academy Lord's Hill

Our Ethos and Values

Our Vision

To ensure all students are equipped with the skills, abilities and qualifications to pursue a fulfilling career and become responsible, respectful global citizens

Message From Our Head Girl

I started Year 7 at Oasis Lord's Hill in September 2021. I remember feeling a variety of emotions: anxiety, excitement, anticipation, nerves – and all of these feelings are natural. However, I quickly realised that Oasis was a place of safety and comfort, which made all of my uncertainty evaporate.

During my time at Oasis, I've learned so many things, including the content in lessons and who I am as a person.

Some of the lessons I have thoroughly enjoyed have been the performing arts subjects, Dance and Drama. These subjects have not only allowed me to explore ways of expressing myself in ways some academic subjects don't, but also helped in building skills such as confidence, teamwork, and dedication. By taking performing arts, I have been given many opportunities, Including taking part in many of our school productions, being offered countless amazing and affordable trips to watch shows at venues like the Mayflower, and being included in a variety of different workshops.

Another key part of my school experience was my friendships. As much as school is about learning new things and preparing you for future success, it is also about connecting with those around you. Friendships have a huge positive impact on your time at school because they make coming to school that extra bit joyful and meaningful. Having a good network of friends allows you to always have someone to talk to, laugh with, and support you when things become stressful and overwhelming. Knowing that you have this support around you makes school a hundred times easier. If you're worried about struggling to make friends or find the right people, all it takes is a simple "hello" or a smile.

As my time at school comes to an end, I tend to reflect on my years at Oasis – the highs, the lows, and everything in between. During my years here, I've learned to be compassionate, honest, considerate, and patient.

As a new Year 7 student, secondary school will feel different and new. But at Lord's Hill, there is so much in place to ensure that we are consistently supported and prepared to succeed. School is difficult, but it's also incredibly rewarding. My advice to you is to work hard, have fun, and take every opportunity that is provided for you. And remember to keep climbing that mountain, even if the top feels miles away.

Daisy, Year 11

Year 7 parent

"As a parent of a child with Autism and ADHD, I feel a strong responsibility to share this testimony about the outstanding care and support my child has received from his school.

Initially, I was apprehensive about him attending such a large school, especially coming from a much smaller one with only 61 students. I had many concerns about the transition. However, from day one, both my son and I were welcomed with warmth, kindness, and understanding - not only by the SEN department but by the entire staff.

I'm sure all parents and children are treated equally, but the level of concern and attentiveness shown makes you feel as though you truly matter and are receiving special care. My son's character is loud, loving, and unforgettable, and it was remarkable how quickly all staff knew and remembered his name.

They have made what could have been a difficult adjustment smooth and even enjoyable. He is included, understood, and supported by everyone, treated with compassion and love. Many accommodations have been made to help him in every possible way.

I believe Oasis Academy Lord's Hill is an excellent choice for families who need a little or a lot of extra care and attention. It seems "above and beyond" could easily be the school's motto.

Keep up the great work!"

Oasis Lord's Hill Hub

Oasis Academy Lord's Hill is a part of the Oasis Lord's Hill Hub, which also includes Oasis Southampton City Farm. The farm is a much-loved visitor attraction, educational site, hidden Oasis, and award-winning charity situated on a beautiful 5-acre site in Maybush, Southampton.

We aim to transform our community through a variety of inclusive, accessible, and wellbeing boosting activities that includes youth, community and therapeutic education programmes.

The farm offers a range of youth and community opportunities for students and their families. Our Youth Worker, Esther, works across these sites with young people from Oasis Lord's Hill.

Oasis Lord's Hill Hub run regular holiday events and activities.

Farm Holiday Club

Southampton City Farm provides a unique Holiday Club experience throughout the school holidays, working in collaboration with Southampton City Councils Holiday Activity and Food (HAF) Programme.

The Holiday Clubs include both public bookable spaces, and HAF funded spaces, so that more young people in the community are able to access the farm!

The farm is also running a SEND specific Holiday Club throughout the summer holidays, with smaller group sizes, more staff for support, and a more chilled environment. This option is only available for HAF families at present.

Children have the opportunity to take part in various aspects of farm life, including animal care and feeding, growing, picking and preparing fruit and vegetables, as well as woodland activities and outdoor team building games. This Holiday Club will provide children with the opportunity to get up close and personal with our beloved animals.

Animal activities will vary daily and may include: Animal feeding, handling, grooming, and walking.

You can find dates and bookings through the farm website:
https://www.southamptoncityfarm.com/holiday-club.html

Saints Foundation

Part of the Youth Provision on offer here at Oasis Academy Lord's Hill is provided by Southampton Football Club's aligned charity, The Saints Foundation. The foundation fund the Saints Community Champion project officer who is based here at the academy full time.

The Saints Foundation is always looking to create more opportunities for our students. We will be in touch with any further activities or provisions.

School Curriculum

At Oasis we strive to achieve exceptional education at the heart of the communities we work in; using cutting edge educational research into the science of learning (including memory and character development) we aspire to develop active citizens and lifelong learners who have a strong understanding of the world around them and a desire to drive positive impact locally, nationally and globally.

More information can be found on our website.

EAL Provision

English as an Additional Language

Oasis Academy Lord's Hill is committed to excellence within our community, celebrating the rich diversity of a student body.

Admissions and Pathways:

All new EAL students complete baseline assessments in listening, speaking, reading, writing, and wider skills such as maths, phonics and non-verbal reasoning. Based on these results, students are placed into one of five proficiency bands (A1, A2, B1, B2, C1), which determine their learning pathways.

Our Values in Practice:

We celebrate cultural and linguistic diversity and ensure every student could flourish academically and personally.

We support students in maintaining and valuing their home language, offering the opportunity to take a GCSE in their native language when this is available through the accredited exam boards.

We work proactively with families, pastoral teams and community partners to promote safer communities, strengthen relationships and reduce the risk of external or internal conflict affecting our students.

Our aim is for every EAL learner to become a confident communicator, an active participant in school life and a successful learner prepared for future education and employment.

SEND (Special Educational Needs and Disabilities)

Here at Oasis Academy Lord's Hill, we are delighted to be working in partnership with our students, their families and the wider community to release their enormous potential. Our SEND department is situated on the second floor of the academy and each room within the centre is catered to meet the 4 Primary Areas of Need (Cognition and Learning, Communication and Interaction, Social, Emotional, Mental health and Sensory and or/physical. In addition, all of the team within the centre are experts in these four domains to ensure that can provide the best care to the students with Special education al needs.

We embrace the fact that every child is different and, therefore, the educational needs of every child are different. In our school, students will be provided with high quality teaching adapted to suit the diverse needs of all learners. We are keen to work with our families to support your child transitioning to us and look forward to meeting with you.

Enquiries

If your child has specific needs that you would like to discuss in further detail, please feel free to contact us.

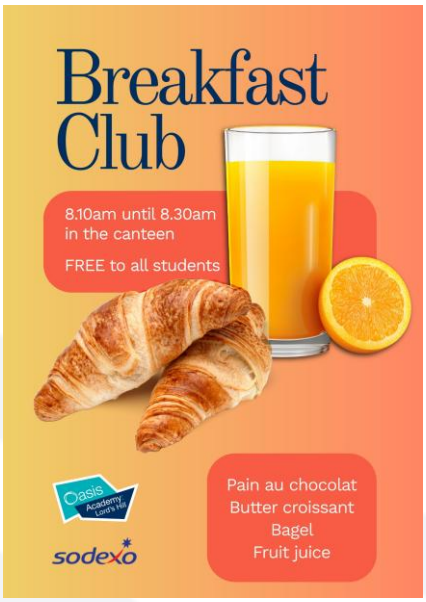
Enrichment

At Lord's Hill, we believe that it's important for students to be able to experience a range of enrichment activities outside of the classroom. We offer a free breakfast clubs for all students to attend before school, a range of break and lunch activities clubs to get involved in, and a wide variety of after school clubs ranging from Drama, Art, Dance, Sports (Different Sports each half term), STEM, Languages, Homework club and many more. Please see attached an example of the clubs we offer across the school day. All clubs are free of charge.



Youth Club @ Oasis Southampton City Farm

Youth Club runs each Thursday 4pm - 5.15pm at the Farm site for students in years 6-11. This is a fantastic opportunity for our young people to make new friends, create links with Oasis Lord's Hill, and get involved in activities at the farm after school.

Starting from May half-term, the Youth Club is open to Year 6 students as a way of supporting their transition to secondary school. The Youth Club is run by the Hub staff, who will be a familiar face to students when they arrive at our school in September.

Uniform Expectations

Uniform & Equipment Policy

At Oasis Lord's Hill, we have high standards and expect all students to wear the uniform correctly and to look smart. We also expect all students to have their own pencil case with basic equipment, such as a black and red pen, ruler, pencil and rubber.

Why do we have a uniform?

We recognise the value of having academy uniforms for the following reasons:

- Inclusion – uniforms promote our belief of inclusion for all
- A sense of belonging – the uniform promotes a sense of belonging in each student, academy and the Trust.
- Safety – if all the students in our Trust wear a clearly recognisable, correctly branded uniform it is easy to identify strangers in the academy. On the way to and from the academy it also affords a degree of safety as the students are part of a large body of young people who will look out for each other
- Preparation for the future – many jobs require staff to wear a uniform and even if there isn't a uniform there is often a dress code. Uniform helps young people get used to dressing to a prescribed standard. It also helps them know the difference between formal and informal dress
- Value for money – good quality uniform should be seen as effective value for money by most parents / carers
- Relieves students from fashion 'stress' – a localised academy uniform eliminates the stress placed on students to purchase and wear expensive, fashionable items
- A sense of pride – we all feel proud of our young people when they are well dressed in the uniform. Uniform and PE/sport kits also help students to demonstrate pride in their academy
- Helps raise aspirations – the smarter you feel the more you believe you can achieve

Appearance/Jewellery

Hairstyles should be tidy and of a natural colour. Minimum hair length is grade 2. No extreme hairstyles are permitted e.g. tramlines.

Makeup may not be worn in Years 7 and 8. As students transfer to Years 9-11, they will be allowed to wear discreet make up e.g. mascara, tinted moisturiser and clear lip gloss. No false eyelashes are permitted.

Nails: false nails and nail varnish are not permitted and students will be asked for them to be removed / taken off.

Piercings - one small (5mm), plain stud earring in the lobe of each ear only. No other piercings are permitted (e.g – nose piercings / rings, eyebrow piercings, lip piercings).
Jewellery: a watch and a single wrist bracelet may be worn, but no other jewellery is permitted.

Footwear: trainers are only permitted to be worn in PE.

A sensible outdoor coat may be worn to school over the Academy blazer. The coat must not be worn inside the building but is allowed to be worn outside during break and lunch periods. Branded hoodies, branded jumpers and branded tracksuit tops are not permitted.

Oasis Horizons Project: iPads for all

Oasis Community Learning to provide an iPad to every pupil as part of its Horizons programme to 'enhance learning for all'.

What is the Horizons scheme?

Oasis Horizons is part of Oasis's fundamental offer to students and their families. It is designed to address inequalities that exist outside of school by making online learning accessible to all. The scheme is part of a wider strategy that involves improving the curriculum offered within Oasis academies and enabling staff to keep on top of new resources, student understanding and preparing our students for a future working with digital technologies. Oasis Horizons puts this improved teaching and learning directly into the hands of every student wherever they are through online learning.

How it will benefit our students.

Our students will benefit in a number of ways from being able to access online quizzes and surveys in class to accessing important educational sites such as GCSE Pod and Seneca Learning. We are also encouraging our students to use their iPads at home to apply for college and look at the huge array of online provision available to them.

Filled with educational apps, the iPad is used in lessons for exploration of learning, class quizzes and teamwork projects.

Our students benefit greatly from the ability to access interactive online quizzes and surveys during lessons, as well as essential educational platforms such as GCSE Pod and Seneca Learning. Beyond the classroom, we encourage students to use their iPads at home to apply for college and explore the wide range of online learning opportunities available to them.

Packed with educational apps, the iPad is an invaluable tool in lessons—supporting independent exploration, class quizzes, and collaborative teamwork projects.

School Lunches

Catering at Oasis Academy Lord's Hill provide high quality, reasonably priced, healthy food options at both break and lunchtime from our school canteen. Our food is prepared on site, using high quality ingredients, by our catering team company Sodexo.

Students are required to remain on site during the school day and are encouraged to eat either a school lunch or a packed lunch in the school canteen.

On the following page is a sample weekly menu to give you an idea of the variety of food offered to our students.

Example of the menu

Cashless Catering System

Oasis Academy Lord's Hill has a cashless catering system. Your child will have the opportunity to register in September. We will need consent to be able to collect biometric data.

Q. What is biometric?
A. Biometric is simply a method of identifying an individual person. We will be using an algorithm based scan, which reads between 50 and 130 points on the finger/thumb. It is not a fingerprint in any way, shape or form and is of use only in the cashless system.

Q. How does a biometric system work?
A. The information of a student or staff member, who has been registered on the biometric system, is stored on a secure biometric controller within the school, which only our provider, Nationwide Retail Systems Ltd, can access. Once an account is credited the student or staff member places their finger/thumb on the EPOS Terminal, which looks up their account details and allows them to purchase items using only this method of identification.

Q. What methods of payment can be used to credit an account?
A. Oasis Academy Lord's Hill is a cashless site. Payments can only be made online via My Child At School (MCAS). Once an account has been credited the monies cannot be withdrawn and must be spent on school meals.

My Child at School

My Child At School is an online portal for parents that enables you to view your child's performance and other information. It is important that you sign up to keep up to date.

Here at Oasis Lord's Hill, we us My Child At School app to keep you up to date with letters, events and your child's performance. **This is where you will also be able to add credit to your child's account for dinner money.**

Every Lord's Hill parent has a MCAS (My Child At School) account where they can access and view your child's data 24 hours a day via PC, laptop and mobile devices with internet connection. It will give you live information and is specifically designed to improve the quality and accessibility of information for parents.

The facility allows instant access to:

- Lesson Timetables
- Student Behaviour
- Attendance
- Important Documents
- Student Reports
- School Trip Payments
- and much more…

To Access MCAS, simply visit:

www.mychildatschool.com and create your password and email will be sent to you via Bromcom by the academy - you will receive this once your child has started with us.

Rewards programme

The rewards programme is a vital aspect of school life as we feel it's important to recognise and reward students when they consistently demonstrate our core values of being **Proud**, **Kind** and **Determined** and to be the best version of themselves.

The main mechanism we use for this is our very popular FAB 4 programme where teacher awards a minimum of 4 raffle tickets to students that have demonstrated our key values within the lesson and then these students make a choice as to which of the main 3 prize draw boxes to place their tickets in anticipation of the big live whole school draw on the last day of every half-term!

Some of the main prizes available to win to date have included a £75 Amazon voucher, JBL wireless headphones, Dominos Pizza party with FIFA/Just Dance/Mario Kart, Jump the queue pass for a whole half-term for the winner and a friend at break and lunch, and a free ticket to our end of Year Rewards Trip to either Paulton's Park (Yr 7 and 8) or Thorpe Park (Yr 9 and 10). There are also several runners up prizes during each draw to include £10 Amazon vouchers, Footballs, Basketballs, Spray sets and sweets/chocolates. Parents are notified each time their child receives a raffle ticket as we believe it's important to share successes with their families.

Year group Reward Celebration Assemblies every half-term:

In addition to the FAB 4 programme, Reward Assemblies are held during the last week of each half-term where hundreds of students are recognised and rewarded across many of the following categories (All students are awarded with a certificate and a prize).

- Subject award nominations
- Highest achieving FAB 4 points scorers
- Tutor nominations
- Pastoral nominations
- Head of Year nominations
- Attendance awards

Rewards programme

End of year Rewards Trips:

At the end of each academic year, we run our two main Rewards Trips, and first refusal is given to those students that have consistently demonstrated their values of being Kind, Proud and Determined across the year.

Year 7 and 8: Paulton's Park (Approximately 140 spaces overall)
Year 9 and 10: Thorpe Park (Approximately 120 spaces overall)

Pop up Games Room:

A new addition to our Rewards offer is a pop-up Game Room in the Sports Hall where students are invited to spend an hour off timetable if they are among the highest achieving FAB 4 scorers at given stages across the year for their given year group.

The set up includes the following:

- FIFA on a big screen (PS5)
- Mario Kart on a big screen (SWITCH)
- 5 ft Pool tables x 5
- Air Hockey tables x 2
- Darts (soft point) x 6
- Giant Jenga x 3
- Giant Connect 4
- Giant Tetris
- Board games

Attendance and Punctuality

Excellent attendance is vital for your child to thrive academically, socially, and emotionally. We expect all students to aim for 100% attendance and to arrive punctually every day. Regular attendance allows your child to fully access the curriculum, engage in meaningful learning, and build strong relationships with peers and staff.

Reporting an Absence

If your child is unwell and unable to attend school, it is essential that you inform us as soon as possible. Absences must be reported with a clear reason by one of the following methods:

- Call the school and leave a message – 02380 393660
- Email: attendance@oasislordshill.org
- Use MCAS (MyChildAtSchool) to report absences

Who to Speak to

If you or your child have any concerns regarding attendance during your time at Lord's Hill, please speak to your **child's Tutor** in the first instance. You can also contact a member of our Attendance Team:

- Lauren Willox (Y7 and Y8)
- Carly Roberts (Y9)
- Lorraine Underwood (Y10 and Y11)
