

Dear Parent/Carer

Prom is now only days away, and we can't wait to celebrate with you all. Here is some useful information for the event at St Mary's Stadium.

St Mary's have asked us to ensure that all student arrivals are made to the North Car Park entrance between 6pm and 7pm. Vehicles will queue around the stadium before being directed to the appropriate location where the photographs will be taken.

There will be a large area for visitors to watch arrivals from - This will be to the right of the Ted Bates statue and we kindly remind visitors to remain behind the safety barriers at all times.

Please be aware that St Mary's have informed us that there is another Prom being held on the same evening. The venues for each Prom are completely separate and students will enter through different doors.

We have met with the Prom organiser from the other school and the events team from St Mary's. Together we have devised a strategy which will ensure that all students from both schools will be able to have an arrival photograph taken with the stadium as a backdrop.

Details of how students can download the images taken by our photographer will be provided on the evening.

St Mary's have informed us that unfortunately there will be no car parking available for visitors on site, however parking is unrestricted from 6pm in the surrounding roads. Please treat parking as if it were a match day at the football club and allow time to get to the stadium to see the students arrive.

For your safety, please remember that the security team at the stadium will search all guests before entering the building.

Students need to bring money for drinks, however all students will receive a drinks voucher to redeem at the bar for one soft drink of their choice. Jugs of water will also be provided.

The event finishes at 11pm.

Kind regards
Oasis Academy Lord's Hill
