

21<sup>st</sup> April 2021

Dear Parent/Carer

I have great pleasure in writing to you with some wonderful news! Our extra-curricular afterschool clubs will be fully functional from **Monday 26<sup>th</sup> April**.

Attached to this letter you will find two enrichment timetables (one dedicated to sport) that detail our extra-curricular offer this half term. As part of our LiFe Curriculum, we are committed to ensuring our students can access enrichment opportunities beyond the classroom. More info on Lord's Hill LiFe enrichment can be found [here](#).

Please take some time to discuss the afterschool timetables with your child and make a note of the day and timing of the clubs for their specific year group. Registers will be kept at each club, but your child will need to communicate their intent to attend a specific club to you, so that you are aware of them arriving home later. Should students wish to attend a sport's club, and this is not on their designated PE day, they will need to bring their sports kit in a separate bag and change prior to the club. Students will receive details as to where they are to change by the PE Team.

Our enrichment provision remains in year group bubbles and social distancing and the wearing of masks will be adhered to. To support this, and as part of our Academy Risk Assessment, please ensure that students are continuing to conduct their COVID-19 Lateral Flow Tests twice weekly.

**Please note that if you do not give permission for your child to attend any enrichment club afterschool, please email [info@oasislordshill.org](mailto:info@oasislordshill.org) prior to Monday 26<sup>th</sup> April. Student names can then be distributed to the staff leading the clubs to ensure students leave the Academy at their allocated year group time.**

Thank you very much for your continued support of the LiFe Curriculum and in advance of the launch of the enrichment offer.

Please do not hesitate in contacting me should you have any further questions.

Yours faithfully

Liz Lea  
Assistant Principal for Personal Development
