

11th November 2020

Dear Parent/Carer

Home-School Communication: My Child at School and EPraise

I am writing to provide you with information on two vital platforms for home-school communication, and to share with you how to access these.

Platform 1: My Child At School

I am delighted to announce the launch of “My Child at School” This is an online portal for parents and carers that enables you to view your child’s performance at school in real time via the web or using the mobile app. The facility allows instant access to:

- Personal information held by the Academy and the function to update personal details as needed
- Your child’s lessons and timetable
- Daily Attendance (morning and afternoon)
- Links to Important Documents

A My Child At School (MCAS) account has been created for you. This provides you with secure online access to view your child's data 24 hours a day via a PC, laptop or any mobile device with an internet connection. It will give you live information and is specifically designed to improve the quality and accessibility of information for parents and carers.

MCAS accounts are created for each student’s Priority 1 contact. If you would like any other contacts to have access, please let us know by emailing info@oasislordshill.org with the email entitled “My Child at School”

To access your account, please go to our website page:

<https://www.oasisacademylordshill.org/academy-life/my-child-at-school>

On the webpage, there is a direct link on how to set access your account. Please note that we need to hold a current valid email address for parents and carers, in order to be able to access MCAS.

All first parental contacts will receive a redemption code email on Thursday 12th November from the Academy Office with the title “MCAS Redemption Invitation” to begin accessing their account.

Principal - Rob Forder

Oasis Academy Lord's Hill

Romsey Road, Southampton, SO16 8FA

Tel: 023 8039 3660 Email: info@oasislordshill.org

www.oasisacademylordshill.org

Oasis Academy Lord's Hill is sponsored by Oasis Community Learning
www.oasiscommunitylearning.org - part of Oasis UK.

Oasis Community Learning is a Company Limited by Guarantee registered in England & Wales (No. 5398529) and an Exempt Charity Registered Office: 75 Westminster Bridge Road, London SE1 7HS

Platform 2: EPraise

We are committed to high standards at the Academy. We aim to celebrate the contributions and hard work of your child via our EPraise rewards system, and we are now reviewing the rewards linked to EPraise to make these as relevant and engaging for our students as possible. More details of these rewards will be shared with our students.

Parents and carers are able to monitor and celebrate their child's EPraise account by visiting www.epraise.co.uk and following the steps below:

- Go into the login area of EPraise
- Choose the Academy
- Select the parent tab
- Enter the main parental contact email address
- Leave the password field blank
- Select Register/Login
- Go into your email inbox and find the email sent from EPraise
- Follow the link and steps to create your own password
- Use your email address and created password to login on all future occasions

I look forward to seeing parents and carers accessing their child's accounts, so that you have access to fuller and more instant information about your child. I believe that using this App will support strongly the relationship between parents and carers, the Academy and your child.

If you have any questions or queries with regards My Child at School or EPraise, please email info@oasislordshill.org with the email entitled "My Child at School" or "EPraise" so that we can direct your enquiry accordingly.

Yours faithfully

Dr. Karen Riding
Vice Principal
