

24th May 2022

Dear Parent/Carer

The Oasis National Student Awards 2022

I am pleased to say that your child is one of four nominated from across our Academy to be part of the Oasis National Student Awards 2022.

Oasis Community Learning are bringing together a group of young people from our family of 52 academies to celebrate their commitment to developing their character, competence, and community. This means that your child has been nominated under one of the four categories and is in the running to be the overall winner for their phase group across the country! Nominated by their teachers, we are delighted to be able to celebrate them this year and congratulate them for their efforts.

The Character Award
The Competence Award
The Community Award
The Horizons Innovation Award

The event will be on the afternoon of **Friday 8th July** and will consist of a special afternoon tea with myself and Mrs Lea, some items to take home to mark their achievements and a special afternoon of entertainment performance videos created especially for them this year. We will also find out during the event, as a national family, who our overall winners will be for both primary and secondary in each category.

Whilst we typically hold this event every two years in Birmingham, we made the decision this year to put the wellbeing of our students, staff and community above everything else, and are therefore joining the event remotely from the Academy. We have also decided to use some of the sponsorship funding that we would normally have used on the larger scale event to give back to our communities through increased food parcels in each of our Hubs.

On the day, the Oasis national social media accounts will be posting updates which you are welcome to follow. You can find them on Twitter: @OasisAcademies, and Facebook: @OasisCommunityLearning

We anticipate that this will be a wonderful afternoon for both your child and our Academy, and we look forward to sharing in the event together.

Yours faithfully

Benjamin Bond
