

26 September 2022

Dear Parent/Carer

We recently started using ClassCharts at Oasis Academy Lord's Hill.

ClassCharts is an online system which teachers use to track achievement and behaviour throughout the school day. We believe in working closely with parents and carers. One of the key benefits of using ClassCharts is that we are able to securely share your child's achievements with you and to keep you up to date in real-time.

From Monday 26th September; we will be rolling out ClassCharts to students through the assembly programme and they will be given a student code to login. In the forthcoming weeks, once students have familiarised themselves with ClassCharts we will be sending you a letter which will have your personal parent login details on it enabling you to login as well.

ClassCharts is one of the leading online programmes available to schools. This programme has enabled schools to have better communication with parents and students. Numerous schools nationally have this programme and feedback has been that parents feel more informed, and students are able to be more organised as they can see their home learning tasks, more responsive in terms of rectifying any negative behaviours and through the reward system feel motivated to achieve.

We are very excited to have this programme and we hope you will appreciate its effectiveness in due course.

If you have any questions regarding ClassCharts, please get in touch by emailing info@oasislordshill.org

Yours faithfully

Mrs A Lowe
Vice Principal

Principal - Benjamin Bond
