Dear Parent/Carer

My Child at School

At Oasis Academy Lord's Hill, we use My Child at School (MCAS). This is an online portal for parents/carers that enables you to view your child's performance at school in real time via the web or using the mobile app, and is specifically designed to improve the quality and accessibility of information

The facility allows instant access to:

- Personal information held by the Academy and the function to update personal details as needed
- Your child's lessons and timetable
- Daily Attendance (morning and afternoon)
- Links to Important Documents
- Dinner money account

You will receive your My Child at School account login details via email. Please ensure you check your junk/spam folder.

You can find more information on our website page:
