

July 2023

Dear Parent/Carer

Oasis and Sodexo are delighted to be partnering once again to be the caterers for your academy.

We are writing to you to let you know that after some careful consideration, we are having to change the pricing to school meals. Having held the price at a fixed level for some time, academy meals will need to increase from £2.25 to £2.40 from September 1<sup>st</sup> 2023. This is still significantly below the national average for school meals and we hope still offers excellent value.

Working together with Oasis, we will continue to offer an exciting and varied range of meals, which are both healthy and nutritious.

All our menus are developed in line with the nutritional standards set by the School Food Trust and the Government's Food Policy in Schools.

We do appreciate the tough challenging economic times that we are all enduring, but we are sure you understand that maintaining quality school meals, along with a skilled team to provide these, are a critical part of a child's journey through school.

This price increase is of course a decision we have made reluctantly, however we are confident that we can continue to deliver an excellent, value-for-money lunch service for our pupils.

Sincerely,

Oasis Community Learning and Sodexo
