

26th September 2022

Dear Parent/Carer

Year 11 Pre-mock and Mock Examination Schedule 2022

I am writing to give you details of the mock examination and preparation schedule for our students in Year 11. This process will be launched today with students in a special workshop. The mock examinations themselves begin after half-term on Monday 31st October.

Year 11 teachers are giving their time after school (15:00-16:00) from Monday 10th October until the end of the mock examinations period, to deliver high-quality preparation sessions with our students. Attendance at these sessions is vital to ensure success in the mock examinations themselves, and to prepare students for the skills and knowledge they will require in their examinations. Students' attendance at these sessions will be tracked daily and students with high attendance will be offered a rewards activity after the mock examinations have finished.

Students will be offered free refreshments during the sign-up for these sessions daily in the Agora. Students will also be offered free energiser bars before the Academy day to ensure they can concentrate fully on the papers they will be taking.

Please take time to discuss the schedule attached with your child and to highlight the following:

- the pre-mock preparation after school sessions they will be attending from Monday 10th October until half-term
- the mock exams they will be taking from after half term (3 week schedule)

Please be reminded that the Year 11 Parents' Evening takes place on Thursday 5th January. This will involve revision workshops for parents and conversations with subject teachers about the next steps to success for your child. Information on how to book appointments will be sent to you separately.

Thank you for your continued support. If you have any questions about the information in this letter, please email info@oasislordshill.org

Yours faithfully
