

February 2024

Dear Parent / Carer

**Webinars for Safer Internet Day**

To support Safer Internet Day, Police UK will be delivering an online webinar for parents / carers explaining Cyber Choices and the risks to young people of committing computer misuse offences.

The webinars will help parents / carers to better understand the Cyber Choices your children may need to make, enabling both you and them to have informed conversations and a better understanding of the risks connected to computer misuse offences.

Sessions will last for 1-hour and are available at the times detailed below. The registration and invitation details are also listed below:
