

3rd March 2025

Dear Parents/Carers,

## Transition to Secondary School September 2025

We are very pleased to confirm that we are able to offer your child a place at Oasis Academy Lord's Hill for September 2025. Please log into your Citizen Portal to accept their place, no later than Friday 14th March 2025.

In order for us to begin this exciting journey together, we would be grateful if you could complete the following online form:

**All about me** - this form is for your child to complete to tell us all about them, their interests, hobbies, family, school as well as any worries or concerns they have about the transfer to secondary school. These forms will form an important part of our transition process so please do make sure your child completes this before the deadline of 16th May 2025.

Our website [www.oasisacademylordshill.org](http://www.oasisacademylordshill.org) has a wealth of information, which will give you a flavour of what life is like here at the Academy and the opportunities available for your child. Please also be aware of the Year 6 to Year 7 Transition webpage which is where you can find all of the information relevant to your child's admission to the academy throughout this process.

We will send out further information, including dates for your diary, how you can buy academy uniform and forms for you to complete, towards the end of Spring Term. We understand that this transition for your child could bring with it concerns or anxieties, however, we will do all we can to make this an exciting and stress-free time for you and your child and will endeavour to ensure they are excited to join us in September.

Our future correspondence with you will be by email/online. This is to help with the speed and efficiency that we can send and receive information, and to support the welfare of our planet by reducing our carbon footprint. If you have any issues with accessing email, then please get in contact with us by telephoning 023 8039 3660 so that we can make a note on our files. Please also ensure you keep us up to date with any changes to email addresses so that you don't miss important documents and updates.
